It is our pleasure to provide a wheel chair or chair-lift access between the first and the second floors of the building. See an Usher for assistance.

The Nursing Mother's room is adjacent to the Usher's office across the hallway from the water fountains. Parents of nursery and toddler's must sign children in and out of class. Children will not be released without a signature. Children 4-6 years of age should have an adult escort to and from class.

Restrooms are located in the center core, womens at the south end, mens at the north end.

◆◆ New To RevTab? ◆◆
